PACIFIC@MASSEY RESEARCH CONFERENCE

Theme: "*Wellbeing, Creativity and Resilience: Transforming Pacific Outcomes*"

Dates: Wednesday 20th – Friday 22nd October 2021

Venue: Atrium Building, East Precinct, Massey University Albany Campus, Auckland

This is the tenth Pacific conference and its aim is to foster and promote Pacific research by Massey University's students and staff and to develop Pacific researchers across the University. Marking the importance of research and addressing various challenges in the Pacific, this forum provides an opportunity for staff and post-graduate students to present research on various topics related to the Pacific region and the diaspora.

INTENDED OUTCOMES

- *Establish professional networks amongst Pacific researchers, staff, and students across the three campuses.*
- *Opportunity to share and receive constructive feedback from participants on research.*
- *Growing, and promoting the profile of Pacific research and researchers.*
- *Submission of papers for publication in an edited book to be launched at the next Bi-Annual Conference.*

CALL FOR PAPERS

The Pacific Research Conference welcomes abstracts to be submitted from any Massey University students and staff members undertaking research on a Pacific topic. Submissions should include:

- Abstract of around 200 to 250 words on the research topic to be presented (**Word Document**).
- A completed Conference Registration Form.

REGISTRATION FEE: The registration fee is $150 for Massey University staff members. Postgraduate students presenting a paper are exempted from paying the registration fee.

Instructions for payment are provided on the attached Registration form.

Please submit your abstract before 20th August 2021.
Email your Abstract to **Eteta Trueman,** E.Trueman@massey.ac.nz and Rukmani Gounder R.Gounder@massey.ac.nz

Further information is available at the **Pasifika@Massey Facebook**, **Pasifika STREAM** and **Pacific@Massey website**. Feel free to forward this invitation to Massey University staff and postgraduate students undertaking Pacific research.

For any queries or further information, please feel free to contact us (see conference organisers' details below).
